**Lower Yakima River Spring Chinook Fishery**

The lower Yakima River spring Chinook fishery opened on Wednesday, May 15. The lower Yakima River is open to fishing for hatchery spring chinook from the Interstate 182 Bridge in Richland to the Grant Avenue Bridge in Prosser. So far this month, WDFW staff have conducted creel surveys on four days. Only 11 salmon anglers have been contacted with no catch and no anglers were contacted fishing for salmon this past week (May 20-26).
